

Universal Self-Service Station (EM)

NEW AND IMPROVED

- Value Priced
- Enhanced User Interface
- Additional Software Features
- Service and Support Backed by 3M-Trained Technicians
- Lighter Weight

Customer Self-Checkout Station designed for libraries facing budget constraints

The Universal Self-Service Station is a flexible, reliable, cost-effective way to gain all the benefits that self-service has to offer. Productivity is enhanced by reducing the length of checkout lines and frees up staff to do other activities. Patrons can also enjoy more privacy while checking their items out themselves. Libraries can also take advantage of the service and support backed by 3M-Trained Technicians that will there to help.

Features:

- **Small footprint for libraries with space constraints:** The USS is a small, self-contained, system that is easily put and/or moved into almost any area in your library for effective self-service
- **Works with 3M™ Tattle-Tape™ Security Strips:** To help secure your libraries materials, this system will work with Checkpoint EM or 3M Tattle-Tape Security Strips
- **Flexible design options allow a table-top or built-in unit:** The USS is a compact unit that can be put on top of tables, stands and counters or easily built in to cabinetry to meet your libraries design and decor needs

Universal Self-Service Station (EM)

Specifications:

Physical Specifications

Dimensions: 24" H x 15" W x 18.5" D
(610mm x 380mm x 470mm)

Weight: 57 lbs. (26 kg)

Electrical Requirements: 110/220VAC, 50/60Hz,
3/1.5 amp, 185 watt

Packaging: tabletop (standard) or built-in

Environmental

Operating temperature:

32°F to 104°F (0°C to 40°C)

Storage temperature:

-4°F to 140°F (-20°C to 60°C)

Storage/operating humidity:

10% to 90%, non-condensing

Communications

Network: TCP/IP

Library: SIP, SIP2

Peripherals

Monitor: 15" touch screen LCD flat panel
(1024x768 resolution)

Barcode Scanner: high-performance line scan
(left or right mount)

Printer: high-speed thermal direct receipt printer with
drop-in paper loading

Paper Supply: 3 1/8" wide x 3 1/4" diameter
(80mm wide x 83mm diameter) roll

Security Support

Electromagnetic (EM): any magnetic strips

Software

Operating System: Windows XP Pro

Languages: 2 languages shown on screen from a selection
of more than 13 available

Standard Features:

Patron authentication

Cardless sign-on

Checkout

Display account status

Graphical User Interface (GUI) for customization including:

Receipt format, Patron messages, Screen graphics

Certifications

US/Canada:

EMI, EMC – FCC part 15 subparts b and c

Safety – CUI (dual listing comprising of UL60950-1, and 22.2 60950-1)

Australia/New Zealand:

EMI – Australia-New Zealand 4268

EMC – Cispar 11

Safety – Australia-NZ 60950

Australia/New Zealand:

EMI – EN 300 330-2

EMC – EN 301 489

Safety – EN60950

Human Exposure – EN 50634

Secure your materials with EM strips

- **Reliability:** designed to be desensitized and resensitized again and again, without any decrease in performance.
- **Flexibility:** available in a variety of lengths with both single- and double-sided adhesive.
- **Price/Performance:** EM strips provide exceptional performance.
